Initial Remarks

This Supplemental Response supplements the Response filed February 19, 2004, by filing a Declaration by the Assignee of Entire Interest under 37 C.F.R. § 1.131 (the "Assignee Declaration"). Because the Declarations from the Inventors were filed in the Response filed February 19, 2004, they are not being re-filed herein. No other changes have been made to this Supplemental Response, and the claim designations, including the Original/Currently Amended amendment designations, are shown to be the same as the Response filed February 19, 2004. Since this Supplemental Response is being filed within three months of the Office action mailing date, no extension fee is due.
